Details

Phone and Email support is included at no additional charge. Standard training and documentation is also included without charge. Subscription Fees listed are for Year 1 of the Agreement and include hosting services. Site Implementation Fees are based on standard hours required to perform the baseline site setup.

Subscription fees may be discounted for partial school years, as well as add on modules. Discounted pricing is also available for school districts with multiple schools subscribing to Student Support Time.

Additional fees may apply for text messaging options (based on number of messages sent).
